The authorization and decision for a student to operate a motor vehicle during the lunch period rest entirely with the parent/guardian of the student. HFA, HFLI, it's administration, officials, or employees are not liable for any claims, actions, loss, or damage that may arise as a result of a student either operating or being a passenger in a motor vehicle during the lunch period. The student and parent/guardian are responsible for acquiring and maintaining a valid Texas driver's license and minimum liability insurance required by state law for the driving student.

Students exercising off-campus lunch privileges are subjected to rules of student conduct applicable during the regular school day. The abuse of any of these provisions may result in a suspended or terminated off-campus lunch permit and/or other disciplinary consequences.
